

Customer Alert: Phishing Scam Warning

The National Bank of Dominica Ltd. (NBD) has been made aware of a phishing scam that may be targeting some of our customers. These scams attempt to trick individuals through phone calls, emails, or text messages into sharing sensitive information, including account numbers, credit card details, and online banking login credentials, with the goal of committing fraud.

Please remember that NBD **will never contact you by phone, email, or text** asking for your personal or account information.

Our teams are actively monitoring the situation and taking all necessary measures to safeguard our customers' information.

We strongly encourage all customers to remain vigilant and exercise caution when receiving unexpected emails, messages, or calls requesting personal or banking details.

If you receive any suspicious communication, or if you have concerns or questions, please reach out immediately to our **NBD Customer Support Team at 1 (767) 255-2300**.
